CLUB NEWS

SERVING MANCHESTERS BUSINESS PROFESSIONALS SINCE 1825

New Members WELCOME DINNER

The New Members or Welcome Dinner is one of the most enjoyable formal events at the Club. We encourage all new Members to attend this celebration of their membership, providing an excellent opportunity to meet fellow Members and Officers while enjoying a stunning four-course dinner, great wine, interesting company, and fascinating conversation.

The black-tie evening begins with a fantastic champagne reception before the call to dinner. This event is unique as it allows Members to bring guests, and we encourage bringing partners, friends, or colleagues. The atmosphere is always vibrant, and by the end of the evening, everyone is well acquainted with the rich history of the Club, the benefits of membership and their fellow Members.

WILL YOU TAKE THE CHALLENGE?

We are thrilled to announce another evening filled with creativity, imagination, and exceptional dining following the success of our previous Mystery Dinners, including Rod's acclaimed culinary journey through the Seven Wonders of the World.

This time, our talented Head Chef, Rod, draws inspiration from one of history's most fascinating themes: the Seven Deadly Sins. Guests will embark on a culinary adventure across seven carefully crafted courses inspired by Pride, Greed, Wrath, Envy, Lust, Gluttony, and Sloth.

The form these sins will take on the plate remains a closely guarded secret. Will Gluttony appear as an extravagant display of abundance? Could Envy take shape through vibrant colours and unexpected flavours? How might Lust be interpreted through taste, texture, and presentation? The answers will only be revealed on the night.

Designed to surprise, delight, and spark conversation, each course will showcase Rod's creativity and skill, offering a dining experience unlike any other.

Join us for a seven-course mystery dinner at £75 per person, with an optional wine flight for £45 per person. Experience culinary intrigue as we discover whether temptation can truly be served on a plate.

DON'T CRY FOR ME ..UNCORKING ARGENTINA

A Wine Tasting

Join us on Thursday 25th for an exciting wine tasting event where Tony will guide us through the vineyards of Argentina, uncorking some classic South American wines.

Argentina boasts a rich wine history, producing a diverse range of varieties including Syrah, Tempranillo, Cabernet Sauvignon, Bonarda, and Malbec. Among these, Argentina is particularly renowned for its exceptional Malbecs, often regarded as the best in the world. As one expert puts it, "Unlike any other country, Argentina's combination of culture and terroir lends us to produce some of the most unique wines in the world." Don't miss out on this opportunity to explore the flavors of Argentina!

As always Rod has paired the fantastic wines with tapas sized regional dishes.
